

TEAM BUILDING

flip deck

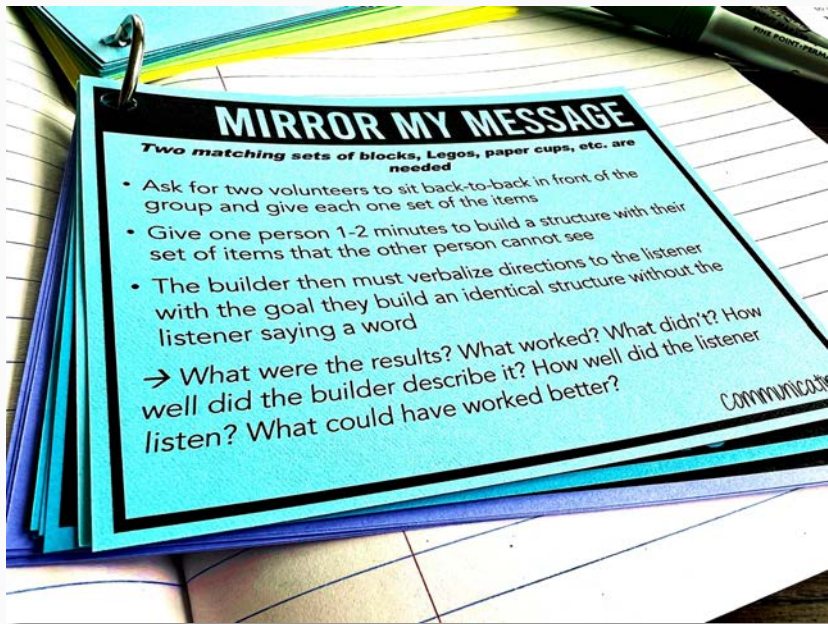

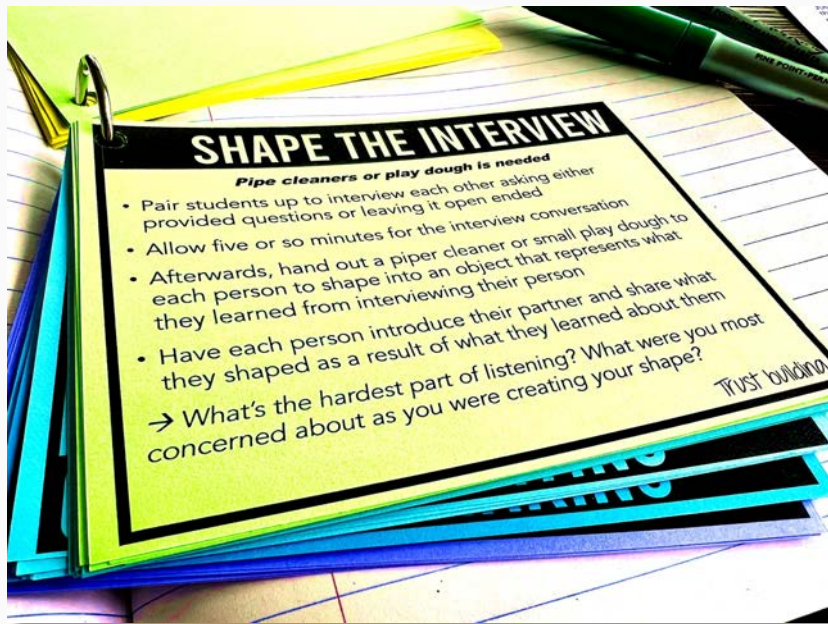

Wide-eyed in your first year as StuCo advisor or simply want to do some **real leadership skill building**?

This **quick, no-nonsense flip deck** of the best strategies that'll set you and your group up for working together all year long!

48 games, protocols, & exercises

- ✓ **Ice breakers & trust building games** to warm up students at the start the year
- ✓ **Brainstorming protocols** to kick off any big planning projects
- ✓ **Public speaking & active listening games** to build key leadership skills
- ✓ **Decision making and debriefing protocols** to help students through big projects

HOW TO USE

print, cut, loop

- ✓ Store one at your desk for planning
- ✓ Share a few for your student leaders to take the lead
- ✓ Copy blank cards to add your own favorite games and protocol ideas
- ✓ Print on cardstock and laminate; loop with metal ring

“ This is a nice variety of activities that fit many different uses. I've used it for a leadership retreat, in the classroom, and as a club activity. I like how it was organized. It is **not a one and done resource**, I will continue to use it throughout my career." - **Robin** ”
