- ✓ **BONUS: Student-Led Day** all the tools to help students plan **their own** skill building day

SAVE BIG BY
bundling

EACH KIT *includes*

Year-long skill building

- ✓ Set aside one class a week to be a Skill-Building Day
- ✓ Schedule lessons where they best fit, like mic practicing *before* a spirit assembly
- ✓ By 2nd semester, challenge students to plan their own Skill-Building Day

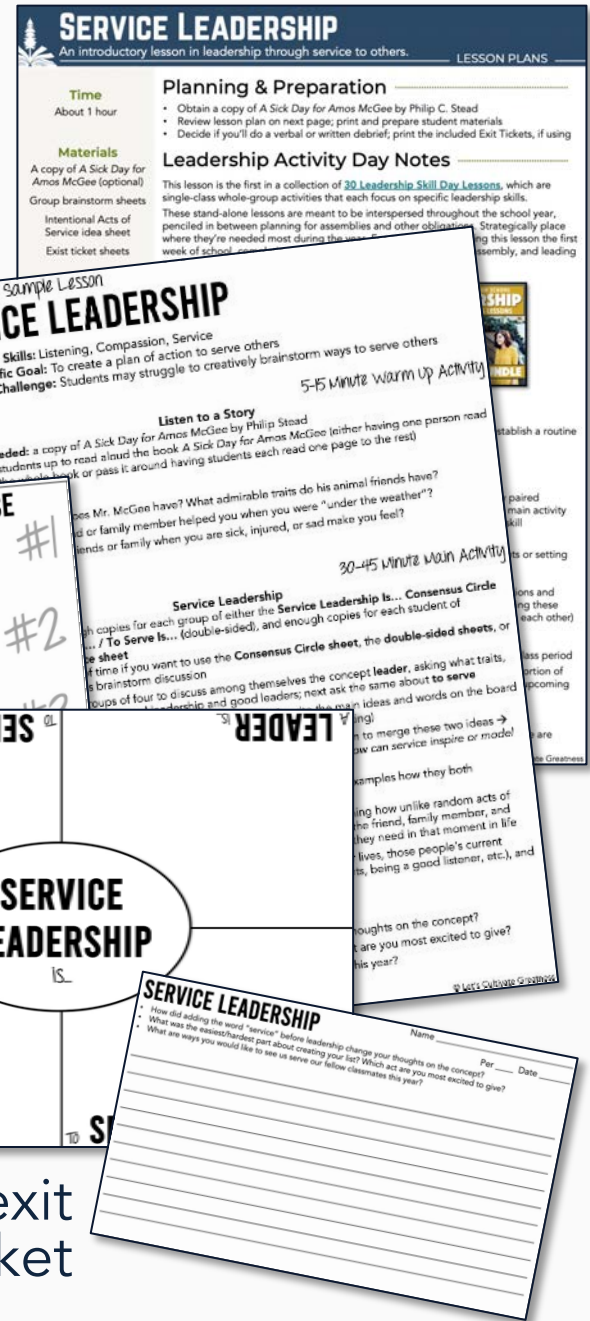

“ I wouldn't have made it without this bundle this semester. The activities taught students the skills they needed to develop confidence in their leadership abilities. I especially liked the **Student-Led Activity Day** as it gave me a little break and allowed the students to practice the skills they learned in class. Thank you!” – Jill K. ”
