STUDENTS DEFEND & SUPPORT THEIR CONCLUSIONS

FREQUENTLY ASKED *questions*

Will this work for middle school?

This is designed for and written at a **high school level**. If your students are advanced and you are willing to edit, it may work, but I can't guarantee anything. I use these materials with my mixed-ability on-level 12th grade Civics class.

Can I use this in a homeschooling setting?

Definitely! Detailed teacher notes and concise-yet-thorough **lecture slides** with detailed notes with each slide help **you** understand this topic and the activities before teaching it. And the **self-guided reading passages** and **detailed note forms** move your student(s) through without sacrificing rigor.

Is this editable?

Yes! All student materials come with a digital Google file version that is editable for the exclusive purpose for you to customize it to meet your students needs and make accommodations.

Will this work for my <insert unique setting here> classroom?

The preview and product description are **extremely detailed**—be sure to take a close look. Also know that all student materials comes with an editable, digital version. If you still have questions, feel free to **leave a Q&A!**

What standards does this address?

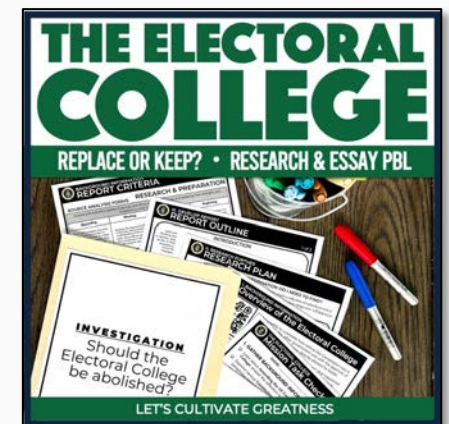

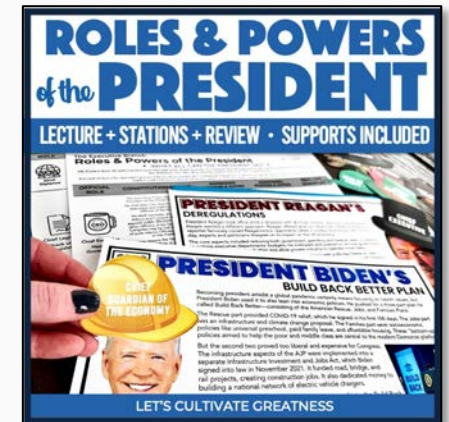

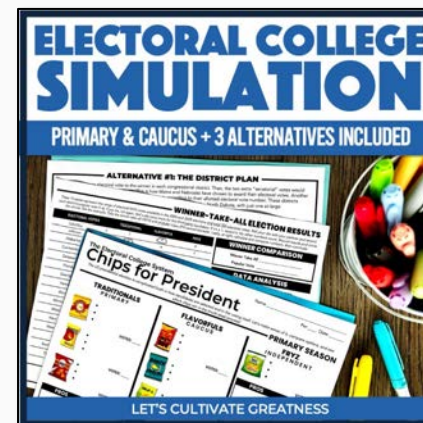

Several! This kit supports standards from various states, including:

Analyze the structures, functions, and processes of the executive branch – Explain the expressed presidential powers and duties outlined in Article II – Describe the implied powers of the president – Examine the role of the executive branch in terms of its relationship with the other branches
