

VOTING IN AMERICA

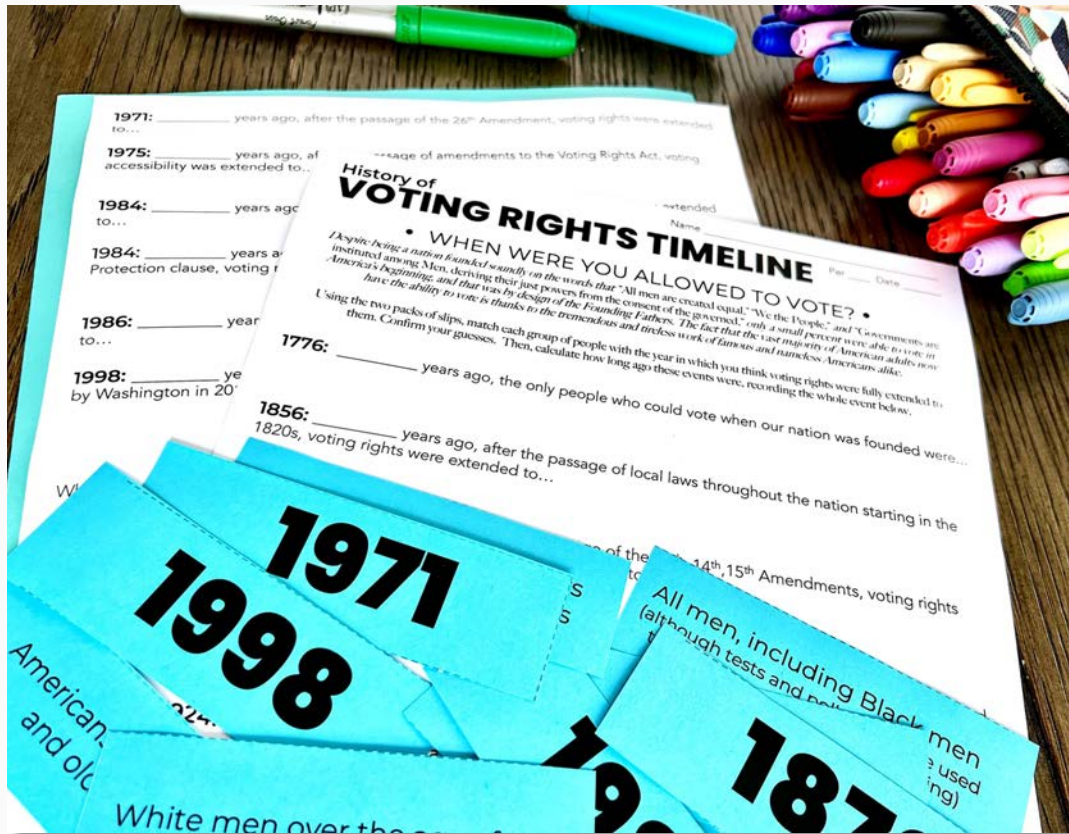

activities

6 ACTIVITIES THAT EXPLORE

- History of voting rights in America
- Election methods throughout US history
- Local requirements to register & vote
- Pros & cons of various voting methods
- Voter turnout attitudes & statistics
- How elections around the world are held

Plus Lesson plans, answer keys, print-and-go PDFs & editable Google files

ACTIVITIES THAT *engage & challenge*

MIX & MATCH OR USE ALL 6!

Shock students with a collaborative timeline on when groups gained their voting rights

Investigate pros and cons of various voting methods and current election rules

Listen to engaging stories on the history of how we vote and who gets to vote

Compare Election Day methods with countries around the world

Analyze voter turnout survey data

**A WIDE MIX FOR ALL
ABILITY LEVELS**

“

This was an **engaging** way to introduce voting rights and concepts to my government students. **Several were surprised** that voting rights weren't spelled out in the Constitution, despite us having gone over the Constitution earlier. – **Cody**

”

SUPPORTS

included

- ✓ Ongoing graphic organizer notes to develop a nuanced understanding of what **voting** means
- ✓ Detailed daily lesson plans with takeaways
- ✓ Answer keys of activities
- ✓ Fully **editable** Google digital version of all student activities
- ✓ Activities built to support **ANY** election year—presidential, mid-term, or odd-year

Easy-to-use supplemental activities for my voting and elections unit. Thank you! – Elizabeth

*This resource is **detailed, organized, and thorough**. It was exactly what I was looking for. Thank you for all your hard work that went into making this product! – Fellow TPT Seller*
